Honorable Commissioner of Patents and Trademarks

PETITION TO WITHDRAW HOLDING OF ABANDONMENT  
UNDER 37 CFR § 1.181

Sir:

Responsive to the Notice of Abandonment dated July 26, 2002 (copy attached), and in further Response to the 23 AUG 2002 Decision received from the PCT Legal Division, the applicants Petition, yet again, for Withdrawal of the Notice of Abandonment.

\* \* \* \*

BACKGROUND

On 30 December 1999, applicants filed international application PCT/FR99/03317, which claimed priority of an earlier French application filed 31 December 1998. A copy of the international application was communicated to the USPTO from the International Bureau on 13 July 2000. A Demand for international preliminary examination, in which the United States was elected, was filed on 21 July 2000, prior to the expiration of nineteen months from the

priority date. Accordingly, the thirty-month period for paying the basic national fee in the United States expired at midnight on 02 July 2001 (30 June 2001 was a Saturday).

On 29 June 2001, applicants filed national stage papers in the United States Designated/Elected Office (CO/EO/US). The submission was accompanied by, *inter alia*, the basic national fee required by 35 USC 371(c)(1).

On 07 September 2001, the DO/EO/US state that a Notification of Missing Requirements was mailed to applicants which indicated that an oath or declaration in compliance with 37 CFR 1.497 must be filed. A Form PCT/DO/EO/905 rubber stamped September 7, 2001 was supplied with the 23 August 2002 Decision. Applicant avers that no such communication was received. As evidence of this fact, applicants supply herewith a copy of the appropriate internal docket, November 2001, for the month in which the applicants would have been obligated to respond to such communication. This information is provided in accord with MPEP § 711.03(c), part II. The application would have been identified on the docket by internal codes CR-1 or PF 96 PCT. No response was docketed because no Notice was received.

On December 18, 2001, applicants requested the status of the instant application. A copy of the status request and the cancelled return receipt are attached hereto. This request provides further evidence that no Notice was received. Record of this applicant communication is mysteriously absent on the PAIR file contents history. USPTO acknowledgement of this filing is solicited.

On 06 February 2002, the DO/EO/US mailed an ORIGINAL Notification of Missing Requirements under 35 USC 371 (Form PCT/DO/EO/905) without any

reference to a previous Notice. The applicants question the legitimacy of the purported September 7, 2001 mailing in view of this ORIGINAL notification, a copy of which is attached hereto.

On 24 May 2002, applicants filed a response to the Notification of Missing Requirements mailed 06 February 2002, fulfilling all statutory requirements.

On 26 July 2002, the DO/EO/US mailed a Notice of Abandonment, which stated that the present application is abandoned for failure to timely respond to the "Notice to File Missing Parts (Notice) mailed on 02/07/2002", further establishing the legitimacy of the February mailing and calling into question the September 7, 2001 mailing referenced by the PCT Legal Division in the 23 August 2002 Decision.

On 09 August 2002, applicants filed a Petition under 37 CFR 1.181. The petition states that a proper response to the 06 February 2002 Notification of Missing Requirements was filed on 24 May 2002.

#### DISCUSSION

The applicants respectfully request withdrawal of the pending or soon to be pending Abandonment. The applicants' prosecution has been sufficiently inconvenienced due to USPTO error. The applicants have, yet again, fulfilled the latest suggested requirement of the PCT Legal Division. The applicants have restated the obvious. The purported September 7, 2001 Notice was not received by the applicants' representatives, if it was even sent. The USPTO record is very ambiguous. Applicants make note of Deleted Transactions and Pre-Exam Office Actions being withdrawn, all of which occur completely out of sequence. (Copy of August 28, 2002 PAIR filed contents history enclosed.)

The applicants' reliance on the only received ORIGINAL Notice of February 6, 2002 is completely justified. The applicants' record is clear, and additional information in support thereof is supplied herewith. The applicants trust that there will be no further interference with the instant prosecution.

\* \* \* \*

Accordingly, reconsideration and withdrawal of the instant erroneous Notice of Abandonment and commencement of the examination of this application are all hereby respectfully solicited. It should be apparent that the undersigned attorney has made an earnest effort to resolve this USPTO error. If he can be of assistance to the Examiner in the elimination of any possibly-outstanding insignificant impediment to immediate examination, the Examiner is respectfully invited to call him at his below-listed number for such purpose.

Respectfully submitted,
